

30 July 1951

MEMORANDUM FOR: CHIEF, EE DIVISION

SUBJECT: Delinquent Account

1. An Agency review of the accounts of advances to OPC staff officers, agents, and projects has disclosed that the accounting of a number of them is seriously delinquent over a substantial period of time. There is set forth below a brief statement of the assertions with respect to such an account within the EE Division which is said to require particular attention because of the age of the advance.

2. The action which may be necessary with respect to this account must be determined as soon as possible. In order that the EE position on this account may be known, will you please furnish me, not later than 2 August 1951, a concise statement of:

a. What is, in fact, the present status of this account;

b. What steps are being taken or contemplated to determine and settle the account, so that any amount delinquent may be finally and fully accounted for;

c. When it is expected that a definitive determination of such accounting may be reached; and,

d. Any comment or explanation as to the reason for the delinquency, if any, and the statements given hereafter that have been made with respect to this account.

3. The following are said to be the facts with respect to the account indicated, although recent action may have altered the situation in some way.

a. [REDACTED] - No accountings have been made for three advances of \$10,000 each made in October and November 1950 and January 1951 in connection with project [REDACTED].
